Dear FCC

Primary Jurisdiction Referral Questions

Please resolve all declaratory ruling requests made by petitioners within case 06-210 currently before the FCC; involving both the permissibility and proper method of infliction of shortfall and termination phone service charges.

Specifically, the periods to cover are from June 17th 1994 through the end of the grandfathered CSTPII/RVPP plan period(s) to be determined by the FCC. Also declare whether the application of shortfall and termination phone service charges, billed to the end-users in excess of the end-users discounts by AT&T in June of 1996 and March 1997, were a proper tariffed remedy and could be relied upon by AT&T.

The FCC Declaratory Rulings will determine multiple tax issues for the IRS rewards department.

Thank you,
IRS
